## TECHNICAL SKILLS

---

**Programming Languages:** C,C++,Python

**Technologies:** .Net, SQL Server, Kubernetes, Docker, AWS, Git

**Soft Skills:** Leadership, Problem Solving, Communication

## WORK EXPERIENCE

---

### Associate Engineer

Orion Innovation, Kerala, India

Jan 2024 - Present

- Performed manual testing on web applications to identify bugs, validate functionality, and ensure alignment with business requirements
- Created and executed test cases and test scenarios based on functional specifications and user stories
- Automated repetitive test cases using Playwright and AI, enhancing testing efficiency and reducing manual effort.
- Collaborated closely with developers and product teams to log defects, verify fixes, and ensure high product quality

### .NET Developer intern

Orion Innovation, Kerala, India

March 2023 - May 2023

- Developed a solid understanding of C# programming language, Entity Framework for database interactions, and integrating front-end and back-end components for seamless functionality.
- Learned to design and implement RESTful APIs for data access and manipulation, and utilized Angular's component-based architecture and TypeScript to create dynamic and responsive user interfaces.

### Software Developer Intern

Apps Team Technologies, Kerala, India

July 2023 - September 2023

- Gained hands-on experience in developing web applications using ASP.NET Web API and Angular frameworks. Learned to design and implement RESTful APIs for data access and manipulation.

## PROJECTS

---

- **JSONFormatter**, Developed a JSON formatter application using Angular, PrimeNG for UI components, and Ace Editor for code editing, showcasing proficiency in integrating multiple technologies to create a user-friendly tool. [Try it!](#)
- **Event Booking Application**, Utilized ASP.NET Web API for creating RESTful APIs, Angular for building the front-end user interface, and MS SQL Server for data storage and management, demonstrating skills in designing and implementing a scalable and efficient event booking system. [Github](#)
- **Farmzone**, Developed an e-commerce application tailored for farmers, leveraging ASP.NET and SQL Server to create a comprehensive platform for selling agricultural products online. Designed and implemented features such as product listings, shopping carts, and order management. [GitHub](#)

## EDUCATION

---

College Of Engineering,Chengannur

Kerala, India

B.Tech, CSE

2019 - 2023

K.K.Kunjupillai Memorial GHSS

Alappuzha,Kerala

+2, Biology Science

2017 - 2019

## CERTIFICATIONS

---

- Microsoft Certified: Azure AI Fundamentals [Link](#)
- AWS Certified Cloud Practitioner [Link](#)

## EXTRACURRICULAR ACTIVITIES

---

- **Sports Captain** in college Sports - 2022
- Swimming
